## Impressive Production Fact:

In 2015, Client Workers at KANDU labeled 5.7 million bottles of salsa! That's 795 miles of bottles if lined up end to end!

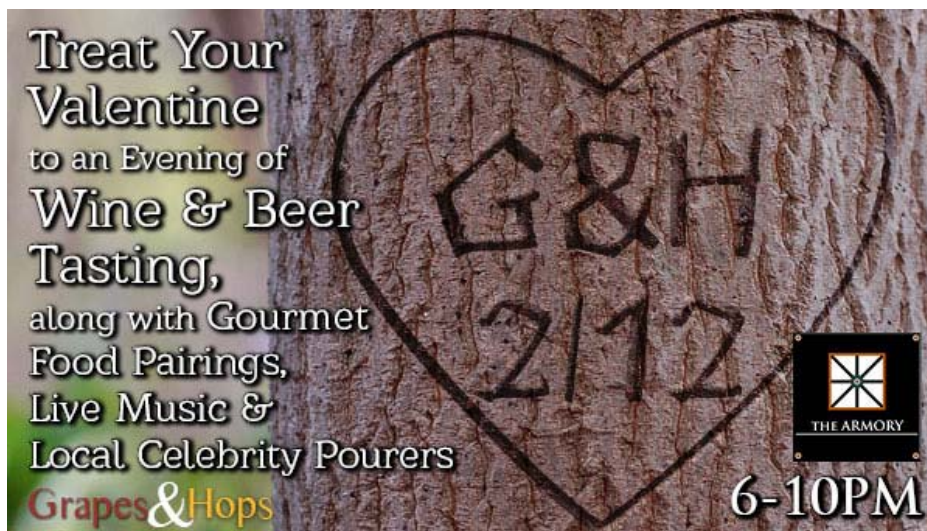

### A New Partnership in Production

At KANDU, we are always looking for new ways to provide meaningful job opportunities for individuals with disabilities while also having a positive impact on the community as a whole. One such opportunity offers work experience to students attending the Wisconsin Center for the Blind and Visually Impaired. This project involves the cleaning and recycling of rubber pipe caps, which previously went to landfills. The worthwhile job has recently provided excellent work for clients both on KANDU's production team and in our Increased Support Program. Not only are we excited to partner with WCBVI to expand this opportunity to others, but also to provide support for endeavors that prevent the unnecessary disposal of reusable products.

THANK YOU TO OUR WONDERFUL 4TH QUARTER DONORS  
[CLICK HERE TO VIEW THE LIST](#)
