**St. Patrick's Day Party**

On Friday, March 20th, KANDU clients and staff celebrated St. Patrick's Day with an after work dance party! Guests danced the night away, with KANDU's own "DJ Dana" providing the music. Delicious food and refreshments prepared by Best Events kept dancers well nourished, maintaining a consistent sea of green on the dance floor and throughout the Best Events Banquet Hall. As with any client event, everyone had a wonderful time!

## Developmental Disabilities Awareness Month

# MARCH IS OUR MONTH

INTELLECTUAL & DEVELOPMENTAL DISABILITIES AWARENESS STARTS NOW

In 1987, President Ronald Reagan declared March to be Developmental Disabilities Awareness Month, urging "all Americans to join me in according to our fellow citizens with such disabilities both encouragement and the opportunities they need to lead productive lives and to achieve their full potential."

KANDU offered support and awareness by participating in the "Spread the Word to End the Word" campaign, promoting respectful, people-first language as opposed to the derogatory and hurtful "R-word". Clients and staff at both locations signed banners, pledging to eliminate this word from their vocabulary. Participants were then entered into a drawing for two tickets to KANDU's Fish Fry & More!

# SPREAD THE WORD TO END THE WORD

You can take the pledge too! [CLICK HERE](#) to show your support in ending the R-word and making our world an accepting place for individuals with developmental and intellectual disabilities.
