Client Worker Bowling Party

Wednesday, May 13th, KANDU clients and staff enjoyed an after-hours bowling party at Janesville's RiversEdge Bowl. All 77 bowlers in attendance had a fantastic time and loved socializing and spending time together outside of the usual work environment. Clients especially enjoyed working as a team and the friendly competition during game play. This is always such a fun event that both clients and staff alike look forward to! Thank you to the volunteers and KANDU Program Staff for organizing and implementing this memorable event.

Celebrating Mardi Gras

KANDU and Best Events introduced *Celebrating Mardi Gras: A Cultural Extravaganza* on May 7th, combining the fun and whimsy of this beloved festival with the elegance and majesty of Bourbon Street. Along with striking décor, Best Events offered an exquisite New Orleans-inspired meal that included hors d'oeuvres like shrimp, crab cakes and muffaletta sandwiches, a steak and jambalaya dinner entree, and a mouth-watering bread pudding for dessert. After dinner, guests could not resist

dancing along to a live performance by *The Cajun Strangers*, an award-winning, 5-piece Madison band specializing in the Cajun-style music of Southern Louisiana. Renowned Illusionist James David also contributed to the evening's entertainment with his unique brand of street magic that not only amazes audiences, but inspires kindness and generosity. A special thank you to our title sponsor Johnson Bank, along with the other sponsors, donors and attendees who made this wonderful event possible. Don't forget to mark your calendars for *Celebrating Oktoberfest* on October 1st! Tickets are available now and can be purchased [online](#) or by calling (608) 755-4123.

Program Spotlight

Clients from KANDU's Increased Support Program proudly display creations from their latest craft project. When they aren't engaged in work tasks, ISP participants partake in fun, hands on projects that encourage focus, creativity and cooperation. ISP offers continued employment opportunities to client workers who require increased supervision and a more structured working environment.
