Boardtracker Bike Night for KANDU

On Tuesday, August 14th, Janesville's Boardtracker Harley-Davidson generously hosted a Bike Night to benefit KANDU. Guests were invited to bring their motorcycles and hot rods out to the free event featuring live music by Heavy Petting, food from BOXCARS Pub & Grub and a beer garden, along with item and 50/50 raffles. Thank you, Boardtracker, for allowing us to be a part of this fun event! Also, thank you to our title sponsor, Johnson Financial Group, as well as our great group of volunteers and raffle donors.

THANK YOU TO OUR GENEROUS 2ND QUARTER DONORS!

EVENT UPDATE! KANDU's Family Fun Day has been scheduled for Sunday, September 30th. Staff, clients and board members will receive more information soon.

Cindy Lewis recently joined our KANDU family in August as a Nurse/Program Manager. Formerly with HealthNet of Rock County for 9 years, she filled various roles besides nurse whenever needed, including receptionist, educator and helping in the pharmacy. In her free time, Cindy enjoys spending time with her husband of 37 years, grown children and grandchildren, making soy wax candles, repurposing antique furniture and even has a booth at Angie's on Main. She is also a dog lover, volunteering for rescue organizations and enjoying the companionship of her beloved greyhound, Beau.

Mark Knuckles Follow Up

In November, contributions to KANDU's Endowment Fund allowed for valuable training from Mark Knuckles Associates to work with staff on staying up-to-date with compliance. During August's follow up visit, Knuckles commended KANDU for the continued quality of support offered to our clients and was impressed by the quantity of work available. Thank you to Shani Browning, Human Resources and Deb Jones, Production Supervisor for all of your hard work in assuring KANDU serves our clients to the best of our abilities.
